Guy Jent

Short Bio:

Guy is a father of two adorable kids, one six-year-old boy named Ryan and three-year-old daughter Aurora. He enjoys spending time with his family and playing with his kids. Guy has played football since youth league through high school and still follows the sport today, watching college and NFL games. If he is not playing with the kids or watching a game, he can be found at the paintball field. Guy is a Division 3 paintballer, he has spent some serious time playing with his team. He also spends some time playing video games.

Guy is currently an Operations Manager of Inventory Control at a Michael's Distribution Center and is studying to earn a Bachelor in Information Technology while minoring in supply chain management. He aspires to start his own business as a Supply Chain Consultant, which will be hard work. To become a consultant will require another Bachelor and a serious commitment in time to gain the necessary experience. Guy also studies the stock market both for financial purposes and being a day trader to be able to travel more. Guy wants to travel more outside of the United States to places like Puerto Vallarta, Dubai or Maldives.
